- Fees are per gallon unless specified (e.g. quart) and apply to containers up to 15 gallons.
- Planning fee is based on a percentage of the estimated implementation fee for Motor Oil Gallon and standardized across all container types.
- Implementation fees are based on the State Response Plan activities, costs and compliance requirements, and vary by container type with a cost nexus.
- Fees are set by the Board.
- The Applicable Product List will be developed as part of the State EPR Plan and approved by the Board.
