## Producer Responsibility Organization Announcement

### Circular Action Alliance

The Department of Ecology has accepted the registration of Circular Action Alliance (CAA) as the Producer Responsibility Organization (PRO) for the Recycling Reform Act. Washington joins five other states with CAA's confirmation as the PRO for EPR packaging and paper products. CAA will be joining the advisory council as a nonvoting member.

### Interchange 360/LPMA

The Department of Ecology has accepted the registration of Interchange 360 (Lubricant Packaging Management Association) as a group of producers intending to operate an alternative collection program for the petroleum and lubricants industry under the Recycling Reform Act.
