NOTICE OF INTERCHANGE 360 FEE CHANGES

July 21, 2026

Dear Registered Producer,

In accordance with our Fee Setting Policy, Interchange 360 would like to provide advanced notice to registered producers of upcoming fee changes. It is our goal and commitment to the industry to provide as much advance notice as possible to help producers prepare for the coming changes. Fees/Dues are reviewed and recalibrated on a regular basis to reflect any changes to program costs, operations, and use the best available data.

The changes, as outlined below, were made to better reflect the true costs and operations in each state:

CALIFORNIA

Current

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
July 1, 2025	$0.14	October 1, 2026	$0.56

Upcoming

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
July 1, 2025	$0.14	TBD	TBD

Change: The implementation fee start date was changed from October 1, 2026 to TBD and the implementation fee was changed from $0.56 to TBD.

Reasoning: CalRecycle has informed Interchange 360 that there is no independent pathway for compliance under the current law, therefore Interchange 360 is delaying the start of the implementation fee until there is a more defined compliance pathway.

MAINE

Current

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
July 1, 2025	$0.14	July 1, 2027	$0.56

Upcoming

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
July 1, 2025	$0.14	TBD	TBD

Change: The implementation fee start date was changed from July 1, 2027 to TBD and the implementation fee was changed from $0.56 to TBD.

Reasoning: The state of Maine is behind on its implementation of the law which will push back the start of Interchange 360 operations.

MARYLAND

Current

Upcoming

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
TBD	$0.14	TBD	TBD

Change: The implementation fee was changed from $0.56 to TBD.

Reasoning: The implementation fee will be determined once further data is gathered including program details from the state.

MINNESOTA

Upcoming

OREGON

Current

January 1, 2025	$0.14	January 1, 2027	$0.56

Upcoming

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
January 1, 2025	$0.14	TBD	TBD

Change: The implementation fee was changed from $0.56 to TBD and implementation fee start date was changed from January 1, 2027 to TBD.

VERMONT

Current

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
January 1, 2025	$0.14	September 1, 2026	$0.56

Upcoming

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
January 1, 2025	$0.14	July 1, 2027	TBD

Change: The implementation fee start date was changed from September 1, 2026 to July 1, 2027 and the implementation fee was changed from $0.56 to TBD.

Reasoning: In June, a new law in Vermont provided a separate, independent compliance pathway for Interchange 360. However, the law pushes back the timeline for operations to July 1, 2027.

WASHINGTON

Current

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
TBD	TBD	TBD	TBD

Upcoming

Planning Fee Start Date	Planning Fee	Implementation Fee Start Date	Implementation Fee
October 1, 2026	$0.12	TBD	TBD

Change: The planning fee start date was changed from TBD to October 1, 2026, and the planning fee was changed from TBD to $0.12.

Reasoning: Following the state's acknowledgement of Interchange 360's Alternative Collection Program, we must start reimbursing the state for its costs related to the program, developing a program plan, building out infrastructure, covering legal and IT costs, and other related costs.

The Interchange 360 website will be updated over the course of the next few days to reflect these changes.

If you have any questions or feedback or require assistance with your reporting, please reach out to memberservices@interchange360.com at any time.

Sincerely,
The Interchange 360 Team
